1.0 THE WORKSHOP

The Workshop shall be held on the 27 & 28 November. During these 2 days participants will acquire a holistic appreciation of the contractual and legal provisions which pertain to Alternative Dispute Resolution in Construction Contracts and an in-depth understanding of how Adjudication in particular as a form of ADR operates in the Industry. The Workshop is therefore recommended for all those who may be dealing with and resolving construction disputes and is particularly suited for those who do not have prior

experience of construction Adjudication. This includes representatives of the entire supply chain, from Public and Private sector Employers, Consultants, Contractors, Subcontractors, Suppliers and Service Providers.

The Workshop provides 14 hours CPD and shall be held at Maritim Hotel Balaclava.
