#	Country	Institution/Degree
1)	Australia	Bond University – Australia BSc Construction Management and Quantity Surveying
2)	Australia	University of South Australia - Australia Bachelor of Construction Management (QS Option)
3)	Australia	Queensland University of Technology Bachelor – Urban Development (Quantity Surveying & Cost Engineering)
4)	Hong Kong	Birmingham City University – Hong Kong BSc (Hons) Quantity Surveying
5)	Hong Kong	University of Wolverhampton – Hong Kong BSc (Hons) Quantity Surveying
6)	Hong Kong	University of Central Lancashire – Hong Kong BSc (Hons) Quantity Surveying
7)	Ireland	Institute of Technology, Carlow BSc (Hons) Construction – Quantity Surveying
8)	Ireland	Institute of Technology, Carlow BSc (Hons) Quantity Surveying
9)	Ireland	Munster Technological University (MTU) BSc (Hons) Quantity Surveying Department of Construction and Architecture
10)	Ireland	Dublin Institute of Technology BSc (Hons) Quantity Surveying and Construction Economics Department of Surveying and Building Technology
11)	Ireland	Galway-Mayo Institute of Technology - Ireland BSc (Hons) Construction Economics and Quantity Surveying Galway-Mayo Institute of Technology
12)	Ireland	Institute of Technology, Sligo – Ireland BSc (Hons) Quantity Surveying Department of Civil Engineering and Construction
13)	Ireland	Limerick Institute of Technology - Ireland BSc (Hons) Quantity Surveying Department of the Built Environment
14)	Ireland	Waterford Institute of Technology - Ireland BSc (Hons) Quantity Surveying Department of Construction and Civil Engineering
15)	Ireland	Atlantic Technological University BSc Hons - Quantity Surveying School of Engineering
16)	Malaysia	INTI International University – Malaysia Bachelor of Science Hons in Quantity Surveying INTI International University
17)	Malaysia	Taylor’s University – Malaysia

		BSc (Hons) Quantity Surveying School of Architecture Building Design
18)	Malaysia	Universiti Teknologi Malaysia – Malaysia Bachelor (Hons) Quantity Surveying Faculty of Built Environment
19)	Malaysia	Universiti Teknologi Mara - Malaysia Bachelor Quantity Surveying (With Honours) Faculty of Architecture, Planning & Surveying
20)	Malaysia	Universiti Tunku Abdul Rahman – Malaysia BSc (Hons) Quantity Surveying
21)	Malaysia	University of Malaya Bachelor Honours in Quantity Surveying Department of Quantity Surveying
22)	Malaysia	Heriot-Watt University BSc Hons - Quantity Surveying
23)	Malaysia	University of Reading BSc Hons - Quantity Surveying
24)	Malaysia	SEGI University BSc Hons - Quantity Surveying
25)	Malaysia	Universiti Sains Malaysia Bachelor of Science in Quantity Surveying With Honours School of Housing, Building and Planning
26)	New Zealand	Unitec Institute of Technology Bachelor of Construction (Construction Economics) Mt Albert campus
27)	Oman	Military Technological College BSc Hons- Quantity Surveying Military Technological College
28)	South Africa	Nelson Mandela University – South Africa BSc (Hons) Quantity Surveying
29)	South Africa	University of Cape Town – South Africa BSc (Hons) Quantity Surveying Department of Construction, Economics and Management
30)	South Africa	University of Pretoria – South Africa BSc (Hons) Quantity Surveying Faculty of Science
31)	South Africa	University of the Free State – South Africa BSc (Hons) Quantity Surveying Department of Quantity Surveying and Construction Management
32)	South Africa	University of the Witwatersrand – South Africa BSc (Hons) Quantity Surveying Department of Building and Quantity Surveying
33)	Sri Lanka	University of Moratuwa – Sri Lanka BSc (Hons) Quantity Surveying Department of Building Economics
34)	Sri Lanka	University of Salford – Sri Lanka BSc (Hons) Quantity Surveying
35)	Sri Lanka	University of Wolverhampton – Sri Lanka

January 2025

		BSc (Hons) Quantity Surveying
36)	United Arab Emirates	Heriot-Watt University BSc Hons - Quantity Surveying Dubai Campus
37)	United Kingdom	University of Derby BSc (Hons) Quantity Surveying and Commercial Management
38)	United Kingdom	Anglia Ruskin University - UK BSc (Hons) Quantity Surveying
39)	United Kingdom	Coventry University BSc (Hons) Quantity Surveying and Commercial Management Faculty of Engineering and Computing
40)	United Kingdom	Edinburgh Napier University BSc (Hons) Quantity Surveying School of Engineering and the Built Environment
41)	United Kingdom	Glasgow Caledonian University BSc (Hons) Quantity Surveying School of Engineering and Built Environment
42)	United Kingdom	Glasgow Caledonian University – UK BSc (Hons) Quantity Surveying Degree Apprenticeship School of Engineering and Built Environment
43)	United Kingdom	Heriot-Watt University – Edinburgh BSc (Hons) Quantity Surveying Edinburgh campus
44)	United Kingdom	Leeds Beckett University BSc (Hons) Quantity Surveying School of the Built Environment & Engineering
45)	United Kingdom	Liverpool John Moores University BSc (Hons) Quantity Surveying School of the Built Environment
46)	United Kingdom	London South Bank University BSc (Hons) – Quantity Surveying Faculty of Engineering, Science and the Built Environment
47)	United Kingdom	Loughborough University - UK BSc (Hons) – Commercial Management and Quantity Surveying Department of Civil and Building Engineering
48)	United Kingdom	Northumbria University BSc (Hons) Quantity Surveying School of the Built and Natural Environment
49)	United Kingdom	Oxford Brookes University BSc (Hons) Quantity Surveying and Commercial Management Faculty of Technology, Design and Environment
50)	United Kingdom	University College of Estate Management BSc (Hons) Quantity Surveying
51)	United Kingdom	University of Portsmouth BSc (Hons) Quantity Surveying School of Civil Engineering and Surveying
52)	United Kingdom	University of Reading - UK BSc (Hons) Construction Management and Surveying School of Construction Management and Engineering
53)	United Kingdom	University of Reading – UK BSc (Hons) Quantity Surveying School of Construction Management and Engineering

List of degrees or equivalent qualifications in Quantity Surveying from a university or institution approved by the Council [s20(1)(b)].

January 2025

54)	United Kingdom	University of Reading – UK BSc (Hons) Quantity Surveying with Year in Industry School of Construction Management and Engineering
55)	United Kingdom	University of Salford – UK BSc (Hons) Quantity Surveying
56)	United Kingdom	University of South Wales – UK BSc (Hons) Quantity Surveying and Commercial Management Faculty of Computing, Engineering and Science
57)	United Kingdom	University of the West of England BSc (Hons) Quantity Surveying and Commercial Management
58)	United Kingdom	Ulster University BSc (Hons) Quantity Surveying and Commercial Management- Degree Apprenticeship School of the Built Environment
59)	United Kingdom	University of Westminster – UK BSc (Hons) Quantity Surveying and Commercial Management Department of Property and Construction
60)	United Kingdom	University of Wolverhampton-UK BSc Hons – Quantity Surveying Technology Centre (MI Building)
61)	United Kingdom	Birmingham City University BSc (Hons) Quantity Surveying Birmingham School of the Built Environment
62)	United Kingdom	Birmingham City University BSc (Hons) Quantity Surveying with Professional Placement Birmingham School of the Built Environment
63)	United Kingdom	Nottingham Trent University BSc Hons - Quantity Surveying and Construction Commercial Management Department: School of Architecture Design and the Built Environment
64)	United Kingdom	Nottingham Trent University BSc Hons - Quantity Surveying and Commercial Management Nottingham Trent University
65)	United Kingdom	University of Greenwich BSc Hons - Quantity Surveying Faculty of Liberal Arts and Science
66)	United Kingdom	Kingston University BSc (Hons) Quantity Surveying Consultancy (Hons) Degree Apprenticeship
67)	United Kingdom	Kingston University BSc (Hons) Quantity Surveying
68)	United Kingdom	Sheffield Hallam University BSc (Hons) Professional Practice in Quantity Surveying Department of Natural and Built Environment
69)	United Kingdom	Sheffield Hallam University – UK BSc (Hons) Quantity Surveying Department of Natural and Built Environment
70)	United Kingdom	University of Central Lancashire - UK BSc (Hons) Quantity Surveying
71)	United Kingdom	University of Huddersfield BSc Surveying – Quantity Surveying
